2024 Memory Plan – March – Romans 1:24-28

Therefore, God gave them over in the lusts of their hearts to impurity, so that their bodies would be dishonored among them. For they exchanged the truth of God for a lie, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen.

For this reason, God gave them over to degrading passions; for their women exchanged the natural function for that which is unnatural, and in the same way also the men abandoned the natural function of the woman and burned in their desire toward one another, men with men committing indecent acts and receiving in their own persons the due penalty of their error.

And just as they did not see fit to acknowledge God any longer, God gave them over to a depraved mind, to do those things which are not proper
