## Colossians 3:1 - The Christian's Expectation – What Is It?

1. How have you beheld the glory of God this past week? What would you tell those who asked you to give a defense, an account, for the hope within you?
2. What are some reasonable expectations that God has upon or for His children? (can you support with Scripture)?
3. Do godly expectations ever seem or “feel” unreasonable? Why?
4. What are some basic ways that the resurrection of Jesus Christ should impact our daily living?
5. Any other thoughts or questions from this sermon?
