

Resolved to Live: Maintaining a Positive Testimony in the Midst of Negativity

Acts 21:37-22:21

1. In your own words, summarize the testimony of Paul in Acts 22:3-21.
2. How does being ready to share one's testimony help a person maintain a positive testimony in the midst of negativity? What are the alternatives?
3. In as few or in fewer words than Paul used in Acts 22:3-21, what is your testimony. Paul's testimony can be read in well under 3 minutes?
4. What are some specific things that clearly reveal that you are ready to give a defense or apology for your faith in Christ? How do others know about your commitment to share the gospel?
