In light of the confusion that runs rampant in our current cultural environment concerning human sexuality and the Bible, the Elders of Hope Community Bible Church make the following affirmations:

*The Elders of Hope Community Bible Church affirm that God creates people in His image as either male or female, and that this creation is a fixed matter of human biology, not individual choice.*

*The Elders of Hope Community Bible Church affirm that marriage is instituted by God, not government; is between one man and one woman; and is the only biblical and moral context for sexual desire and expression.*

*(Genesis 1:27; 2:24; Matthew 19:5; Romans 1:26-27; 1 Corinthians 6:9-11; Ephesians 5:25, 28, 31; Timothy 3:2; 1 Peter 3:7)*
